

Guidelines for Sourcing Clear Bags for Non-Regulated Biohazardous Waste

Suggested Clear Autoclave bags with printed Biohazard logo (Polypropylene, 40um thickness) <i>*Bags are sold by the case. Each case has 500 bags.*</i>	
Volume	VWR Catalog Number
3L	75799-270
9L	75799-258
14L	75799-260
21L	75799-262
33L	75799-264

- 1) Our campus VWR representative, Rachael Cherry (479-575-4650), is located in CHEM 025 and can assist you with appropriate bag purchases
- 2) If you would like to purchase different bags, please feel free to do so as long as the bags are similar (color-wise, either clear or white at most) to the bags referenced here
- 3) **DO NOT** purchase red or orange-red bags for disposal in the dumpsters! The **ONLY** bags that are acceptable for dumpster disposal are clear or white in color.
