

SAFETY DATA SHEETS

Place this sign in the laboratory/shop location of the SDS binder. The binder should contain paper copies of the manufacturers Safety Data Sheets.

If the SDS is not available, access the SDS through BioRAFT (<https://uark.bioraft.com>) using your UARK login and password and select the **SDS Search** function.

BIORRAFT

In case of emergency, contact the EHS office or UAPD for assistance.

EHS: 575-5448 UAPD: 575-2222
